Branding / Logo Brochure

A bit about us...

We create clever designs that work

We are passionate about all things creative, but, our superpower lies within the drinks industry!

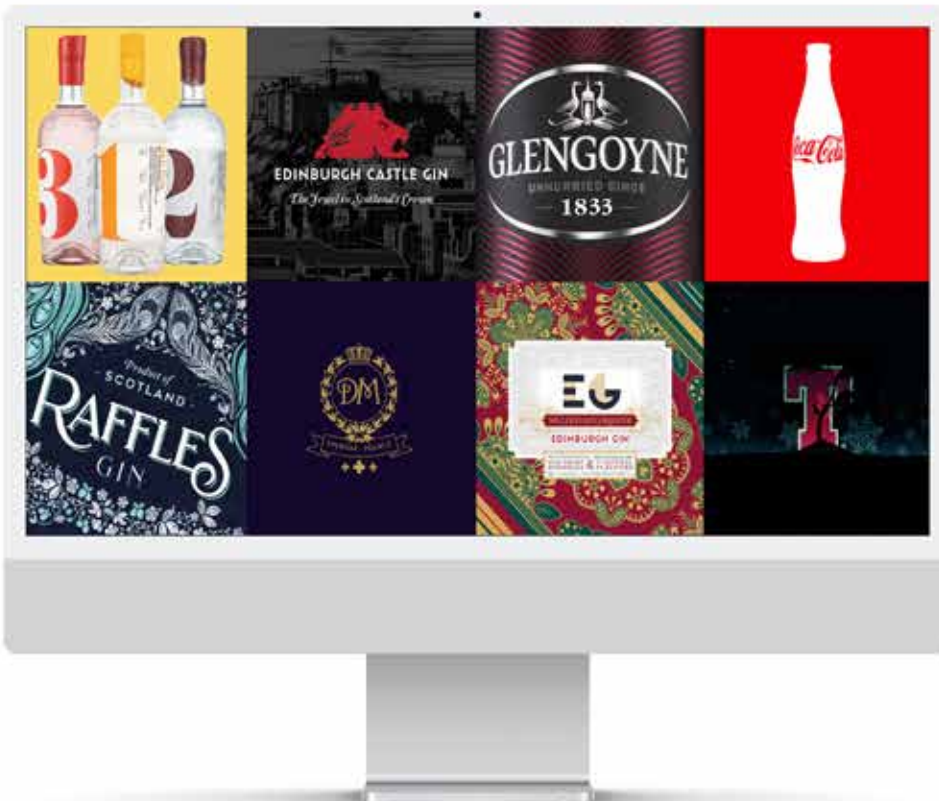

When we receive a new brief from one of our clients below that trusts us time after time with their brands we get all stirred up and quickly get to work, we are visionary, agile, and strategic in our work, have a keen eye for detail, and deliver a full-bodied result.

We are a premium agency, so get in touch with your project ideas today.

Here are some of the brands we've created identities for:

TROCA BRAHMA

The logo consists of a green cross with a small Brazilian flag in the center. To the right of the cross, the word 'TROCA' is written in green, and 'BRAHMA' is written in red. Below the text, there are three green stars of varying sizes arranged in a slight arc.
